OEL  
Room 5F32

Dear Betty -

I would like to add my thanks to those already expressed by General Carter and others for the time and effort you expended in the Agency's recent Christmas program. I am especially appreciative of your willingness to serve as the DD/R representative on the Program Committee - I feel through you the DD/R did itself "proud" on all projects we were asked to carry out.

  
HERBERT SCOVILLE, JR.  
Deputy Director
